

UNITED CHURCH OF GOD - OKC

an International Association

WEEKLY ANNOUNCEMENT BULLETIN

SEPTEMBER 26, 2009

A WARM OKLAHOMA WELCOME TO OUR GUESTS & VISITORS!

OKC SUNSET: 7:21 PM

1. If you do not have Internet email access, a few copies of the Prophetic Times and/or various Home Office updates and announcements are available at the Information Table today.
2. New Oklahoma Church Directory: If you haven't already, please pick up your copy of the new Oklahoma Church Directory available at the Information Table. We have one copy per household. A special "thanks" goes to several people who worked together to produce and print the new directory.
3. Day of Atonement Services: The Day of Atonement is on Monday, September 28th. We will be meeting in our regular meeting hall. Services will be at 2:00 PM. An offering will be collected, so please use your personalized green envelopes provided by the Home Office.
4. Festival Excused Absence Forms: If you or your child needs an excused absence form for Atonement and the Feast of Tabernacles, please pick one up at the information table today.
5. Members Unable to Attend the Feast: Due to health issues, the following people will not be attending the Feast this year. Please remember them in your prayers and you may want to send them a card from your Feast site:
Tulsa - Frances Diehl, Bluford Johnson
Oklahoma City - Janice Burton, Novie Booker
Lawton - Ted & Phyliss Woodall, Wreatha Bynum
6. Church Hymnals: If any members have any of the blue church owned hymnals in their possession at home, please bring those hymnals back to services no later than the Day of Atonement. The blue hymnals will need to be taken collectively to our assigned Feast of Tabernacles site.
Also, many feast sites in the U.S. will be projecting the hymns onto a large screen. It is recommended that members take their personal (green) hymnal to the Feast of Tabernacles regardless of whether you are going to your assigned site, transferring within the U.S. or going to an international site. If you are attending Branson, Escondido, Panama City Beach or Bend / Redmond, you need to take your personal (green) hymnal as these sites will not be projecting the hymns. All other U.S. sites will be projecting the hymns onto a large screen.
7. Blessing of Little Children: According to our church tradition, the Blessing of Little Children is scheduled to take place on the second Sabbath after the Feast of Tabernacles. This year that will be on October 24th. This ceremony is for infants or small children who have never participated in this ceremony previously.
